LAND CLASSES

Abs Express – Focus on abdominals, lower back, shoulders and hip girdles to enhance abdominal definition, core stability and strength.

BODY PUMP – Challenge every muscle group in this barbell class designed to build strength, tone your body and push you to your limit.

Cycle Journey – Burn calories and improve athletic performance through varied terrain rides on a stationary bike. Follow the pace of the instructor or set your own pace to meet your personal goals.

Fitness Fusion – A fun and creative workout that uses a variety of disciplines to give you a full-body cardio/strength/core workout. Always fun and never the same.

Healing Yoga – A safe introduction to basic yoga postures, breathing, and relaxation techniques. Easy-to-follow instruction makes this class suitable for beginners. Ongoing students welcome.

Line Dancing – Learn popular line dances while burning calories. Each dance is choreographed to 3 songs - slow, medium and fast - to challenge your dancing skills and get your heart pumping.

Pilates Barre – A fusion of ballet, Pilates and barre exercises improve core balance, strength and overall flexibility. Feel stronger, taller and more toned.

Pilates Mat – A series of mat exercises emphasize core strength, flexibility and awareness to support efficient, graceful movement.

Plex Pump – Low impact exercises incorporating cardio and weights. All levels welcome.

Power Yoga – An advanced form of yoga focused on strength and core conditioning not recommended for beginner yoga students.

Restorative Movement – Cross train your mind and body with gentle movements, Tai Chi, Pilates and light stretching. Optional use of a chair, wall or mat. Helps strengthen bones and muscles to improve range of motion and stability.

Step/Tone Fusion – Feel the burn with a combination of step aerobics, light weights and cardio dance elements. Focus on specific muscle groups - arms, core and lower body - while improving rhythm and coordination. Let's come together and sweat it on!

Tone & Chisel – An all-encompassing strength/cardio class that will give you a full body workout. All levels are welcome with modifications to make exercises easier or harder.

Trekking – Heart pumping experience on the treadmill. Includes running, walking up hills and speed intensity intervals.

Turf Burn – Burn fat and build lean muscle with this heart-pumping, calorie-burning workout designed to deliver maximum results in a short time. Modifications challenge all levels – beginners to advanced.

Yin Yoga – Slow-paced style of yoga with postures held for longer periods of time - five minutes or more per pose is typical

Yoga Flow – Incorporates energetic movement through a series of fluid postures. Movement is matched with the breath, creating an even greater sense of flow, strength, ease, and tension release.

Zumba® Dance – High energy and motivating music with unique Latin-style moves and combinations. Prepare to burn calories while having the time of your life!

WATER CLASSES

Aqua Arthritis (Warm Water Pool) – Designed to help manage joint pain and stiffness. Gentle movements improve range of motion, increase flexibility and reduce pain.

Aqua Circuits (Lap Pool) – Get a high-intensity workout as you move from station to station. You'll be glad the water cool you off as you kick your fitness level in to overdrive.

Aqua for Weight Loss (Lap Pool) – Use the properties of water to help increase strength and metabolism while focusing on healthy behaviors that create positive lifestyle changes.

Aqua Functional Fitness (Warm Water Pool) – This class puts the FUN in exercise to help you perform activities of daily living - walking, sitting, standing, mobility, flexibility and balance.

Aqua HITT (Lap Pool) – Sports drills, circuits and interval training that, when combined with the properties of water, improve your strength and stamina.

Aqua Mind/Body (Warm Water Pool) – Gentle movements designed to help improve range of motion and flexibility for those with limited mobility.

Aqua Noodle (Warm Water Pool) – Noodles are a versatile water tool - push and pull for resistance, lean for support, sit for suspension. The possibilities are endless!

Aqua Pilates (Warm Water Pool) – Similar to traditional Pilates, movements will lengthen the muscles and improve abdominal and back strength for better posture and balance.

Aqua Step (Warm Water Pool) – Step class is adapted to the water for a cardio and strength workout that helps burn fat and increase muscle without the impact of land classes.

Cardio SPLASH (Lap Pool) – This low impact class incorporates unique movements that stimulate all major muscle groups while keeping your heart pumping.

Core, Cardio & Balance (Warm Water Pool) – Low impact cardio and strength exercises improve balance, keep bones and muscles strong and improve cardiovascular health.

Impact Free Aqua (Lap Pool) – Buoyancy belts provide no-impact cardio that's appropriate for all levels but challenging enough for experienced aquatic exercisers.
