## LAND CLASSES

### **Barre • Moderate**

Low impact, isometric movements using the ballet barre and other light equipment to focus on different areas of your body.

### **Body Blast**

High energy strength training, core work and cardio fitness using both equipment and body weight. All fitness levels welcome.

### **Cancer Support Yoga**

This free yoga class is offered by the Cancer Support center for cancer survivors and caregivers. Call 513-791-4060 for more information.

### **Cardio Boot Camp • Moderate to High**

This high-intensity, fast-paced interval workout takes you through calisthenic drills while burning calories and building muscle.

### **Cardio Box**

Combines elements of boxing, martial arts and cardio to provide total body conditioning and toning.

### **Cycle Journey • Moderate to High/Multi-Level**

Control your own resistance as you race through drills, hills, flats and jumps on a simulated ride through various terrains.

### **Fit Fusion • Moderate to High**

Low impact strength and cardio focuses on toning and fat burning while improving balance and cardio endurance.

### **Gentle Yoga • Low to Moderate**

Yoga poses done with a chair or on the mat that help build and maintain flexibility, balance and strength.

### **Hatha Yoga • Moderate - Multi-Level**

Accessible yoga gently unwinds stress and tension to bring a sense of balance into the body and mind. Focus on mindful movement and breath.

### **Interval Blast • Moderate to High**

Combined high intensity interval and resistance training exercises give you a complete workout in 45 minutes.

### **Move It or Lose It • Moderate - Multi-Level**

Build strength, mobility, endurance and balance in this fun interval-style class designed for fitness with no floor work. All fitness levels welcome.

### **Myofascial Release**

Learn massage techniques to help you manage pain from physical activity, injuries, disabilities, and more.

### **Pilates Mat • Moderate - Multi-Level**

Mat exercises strengthen the core muscles and lengthen tight lower body muscles to improve core strength and overall flexibility.

### **Pilates Fusion**

Build strength and change your body composition with a variety of Pilates, strength, flexibility, balance and cardio.

### **Plex Pump • Moderate to High**

Barbells and adjustable weights strengthen and tone the entire body in this 45-minute rhythmic resistance training class.

### **Sculpt Mix • Moderate to High**

Interval-based class combines traditional strength exercises with power plyometrics for high intensity fat burn and body sculpting.

### **Strictly Strength**

Just 30 minutes and a variety of equipment equals a full-body, heart pumping workout that builds strength and endurance.

### **Tai Chi • Low**

Slow flowing movements build strength and balance to reduce falls and the fear of falling and help improve overall well-being.

### **Tone & Chisel • Moderate to High/Multi-Level**

Firm and shape the total body with free weights, bands and balls. Perfect for improving muscle tone, flexibility and posture.

### **Vinyasa Yoga • Moderate to High**

A flowing sequence of postures that are directly related to the breath. Enhance body awareness and decrease stress.

### **Yoga for Wellness • All Levels**

Learn fundamental skills for wellbeing: breath, movement, mind, and senses. The practice supports a healthy lifestyle and leads to relaxation, quietness, and deep peace.

### **Yin Yoga • Low to Moderate - Multi-Level**

Basic yoga postures are held for longer durations of time with an emphasis on breathing and relaxation techniques.

## WATER CLASSES

### **Aqua Arthritis • Low to Moderate**

Designed to help manage joint pain and stiffness. Gentle movements improve range of motion, increase flexibility and reduce pain.

### **AquaFit**

Low impact and mobility movements combined with core work.

### **Aqua Healing Stretch • Low to Moderate**

Gentle movements for those with limited mobility due to arthritis or other orthopedic conditions. Helps improve range of motion and flexibility.

### **Aqua Low Impact • Low to Moderate**

Low impact cardio plus movements to build strength and balance.

### **Aqua Restorative Movement** Low to Moderate

Strengthen muscles to improve coordination, dexterity, balance and stability.

### **Aqua Tone & Stretch**

Build strength and improve balance using aqua weights and noodles.

### **Aqua Zumba • Moderate**

A fun, shallow water cardio workout combining high energy music with unique Latin style-moves and combinations.

### **Cardio SPLASH • Moderate**

A variety of movements stimulate all major muscle groups and keep your heart pumping in this light-impact, shallow water class.

### **Core, Cardio & Balance • Low to Moderate**

Low impact cardio and strength exercises improve balance, keep bones and muscles strong and improve cardiovascular health.

### **HydroRider • Moderate - Multi-Level**

Stationary bike immersed in water to provide cycling with the added resistance the water provides. Shoes required.

### **Impact Free Aqua • Moderate**

Buoyancy belts provide no-impact cardio appropriate for all levels but challenging enough for experienced exercisers.
